Project Overview

Charter Hall is the owner of this existing 1-storey, A-Grade commercial office building in the Sydney CBD, which overlooks Hyde Park. The building will become home to Property NSW, who have pre-committed to leasing levels 2-15.

As part of the pre-commitment, Charter Hall pledged to undertake a full building refurbishment, including an integrated fit-out for the anchor tenant, Property NSW.

The refurbishment included new end-of-trip facilities, activated lobby spaces, large and flexible floor plates and significant outdoor terraces.

The architectural design was undertaken by WMK Architecture and Siren Design, who have a significant track record of delivering high quality design solutions for A-Grade commercial buildings.

The Problem

Charter Hall required the refurbished space to be delivered by May 2021, under a tight fixed budget.

Our Solution

Solutions Consulting Australia was engaged by Charter Hall to manage all aspects of the asset upgrade as well as undertake development, project management, and superintendent roles.

Solutions Consulting Australia's services covered all facets of the project, including:

- securing the whole-of-building tenant, Property NSW
- coordination of the consultant team
- integration of base building modifications and fitout works
- tendering and procurement of the principal contractor
- superintendent, commercial and retail tenancy co-ordination services
